

Supplier's Declaration of Conformity (SDoC)

Product Family: WiFi Interface Converter Series

Models Covered:

- UART-WiFi-001
- SPI-WiFi-002
- CAN-WiFi-003
- RS485-WiFi-004

Manufacturer: WNetTech

Address: 11 Charlemont Crescent, Scarborough, ON M1T 1M3, Canada

Email account: kzhang.engineering@gmail.com

This equipment complies with FCC Part 15B Class B for unintentional radiators.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

RF Module: Contains ESP32-C3-MINI-1-N4 module with FCC ID: 2AC7Z-ESP32C3MINI1

Grant Date: May 06, 2022

Basis: Modular Approval (Single Modular), no RF changes in host integration.

EMC Test: FCC Part 15B Class B (Report No. _____).

Test Lab:

Date of Test:

Responsible Party:

Name: Hanxiang Zhang

Title: Compliance Officer

Signature: _____
