

Supplier's Declaration of Conformity (SDoC)

1. Product Identification

- Product Name: Industrial WiFi & Serial Protocol Converter Series
- Models Covered:
 - CAN-WiFi-003 (Primary Representative Model)
 - RS485-WiFi-004
 - SPI -WiFi-002
 - UART-WiFi-001
- Product Type: Communication Interface Component / Professional Integration Module

2. Manufacturer & Responsible Party (North America)

- Company Name: WNetTech
- Address: 11 Charlemont Crescent, Scarborough, ON M1T 1M3, Canada
- Contact Name: Hanxiang Zhang
- Email: kevinzhang61@hotmail.com

3. Compliance Statement

WNetTech declares that the equipment described above has been designed and verified to comply with the technical requirements of FCC Part 15 Subpart B (Unintentional Radiators) and ISCED Canada ICES-003 Issue 7.

This device incorporates a pre-certified radio module:

- Contains FCC ID: 2AC7Z-ESP32C3MIN11
- Grant Date: 05/06/2022
- Modular Type: Single Modular Approval

4. Technical Integration & Justification

- RF Integrity: The host design utilizes the pre-certified ESP32-C3-MINI-I module in accordance with the manufacturer's integration instructions. No modifications have been made to the RF circuitry, output power, or antenna system of the certified module.
- Compliance Method: Compliance is maintained through modular integration. The host circuitry consists of passive interface components and low-speed digital logic, ensuring the composite system meets the essential requirements of FCC Part 15.31.

5. Operation Conditions

Operation is subject to the following two conditions:

- This device may not cause harmful interference.
- This device must accept any interference received, including interference that may cause undesired operation.

6. Responsible Party Signatory:

Name: Hanxiang Zhang

Title: Compliance Officer

Date: Mar 18, 2026

Signature: _____
