WNetTech
Industrial WiFi & Serial Protocol Converter Series
Contains FCC ID: 2AC7Z-ESP32C3MINI1
CAN ICES-3 (B) / NMB-3 (B)
This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received,
including interference that may cause undesired operation.
